

CENTURY FLOWER PATCH LOG REGION 6

The Region 6 Century Flower Patch was designed in 1993 to promote Samborees attendance and visitation of states within Region 6. The Region 6 Century Flower Patch can be earned by those that attend ten (10) Samborees within Region 6 or International Samborees. Only one form/log per family rig is required. Start you Samboree visitation and collection of signatures so you can proudly wear your Region 6 Century Flower Patch on your jacket!

What are the minimum requirements to earn the Region 6 Century Flower Patch?

When 10 Samborees have been recorded and verified (by obtaining the State Director's signature) on this form, you are entitled to purchase a Region 6 Century Flower Patch. Three of the ten Samborees must be from a different state within Region 6. You must present this completed form to the State Store in order to purchase your patch. (Cost of patches \$5 and flowers \$2) The State Director will then present you with your Region 6 Century Flower Patch.

What states are included in Region 6?

- | | | |
|----------|----------------|----------------|
| Alabama | Kentucky | South Carolina |
| Delaware | Maryland | Tennessee |
| Florida | Mississippi | Virginia |
| Georgia | North Carolina | West Virginia |

What happens next?

Once the Region 6 Century Flower Patch has been earned, subsequent Satellite Patches can be earned. A Satellite patch will be earned for each additional 10 Samborees attended (same rules as above). These patches are a one-inch replica of the individual state flowers. You must present a completed form to the State Store in order to purchase each Satellite Patch. The State Director will then present you with your Satellite Patch.
