

## **HOW & WHY TO JOIN A CHAPTER**

The Good Sam RV club got started in 1969 when a handful of RVers put Good Samaritan bumper stickers on the road and in campgrounds on their rigs so fellow members would know they could get help on the road. From this small Club we grew. In the early days, Good Sam Members spread the word at RV parks and other Club events. Soon everyone wanted to know how to get a Good Sam “smiling face” decal.

### **WHAT IS A GOOD SAM CHAPTER?**

All Good Sam members are encouraged to join a local Chapter for wholesome, increased outdoor fun, fellowship, travel, touring places of interest, potluck dinners, and other interesting camping activities. We strongly encourage the young along with the young-at-heart to join a chapter. This creates new and long-lasting friendships and memories. Chapter members usually meet once a month for a campout get-together or other Chapter activities such as service projects or support of local charities. Some of the Florida Chapters only meet October through May because their members are comprised of “workcampers” or “snowbirds”.

A Chapter is made up with a varying number of rigs, each Chapter determining its own membership size, and are composed of their own elected officers. They camp together, play together, and give support in times of need. The Chapter members have vests in their own Chapter colors, with Samboree patches, patches from the states, parks, and points of interest, they have visited. The more you become involved in a Chapter the more satisfying the experience. The reasons for belonging to a local chapter is for the fun, fellowship, games, travel, eating, craft, love of the outdoors, camping, etc. Chapters support each other by having monthly campouts. The more members who are involved, the more things the chapter can do. Many chapters support local charities; most all the chapters support National and Florida Charities: Dogs for Better Lives, and Camp Boggy Creek.

### **HOW TO JOIN A CHAPTER**

Each chapter has its own individual membership requirements but one that is universal is membership in the Good Sam Club. If you are not a member of Good Sam, please click on any Good Sam icon on this website to join a Good Sam Club.

We strongly encourage you to visit with several chapters before you decide which chapter you want to join. Some chapters are into volunteering, others travel to lots of out of state places together, while others just enjoy spending time together relaxing. Chapter life is what you choose to make of it. The chapters all have a weekend that they usually camp, but most will also change their schedule around depending on member's needs and events they want to attend. All chapters have a guest program that allows you to camp with them for a few visits without becoming a member. This allows you to get to know them and allows them to meet you. Be sure to talk to a few presidents in your area. They will tell you about their chapter and when and where the next campout will be. Deciding which chapters to visit can take a little time. Click on the

Chapters & Presidents page on this website. Do not be overwhelmed when you open the page as we have many chapters in Florida. You can quickly narrow that list down to chapters near your area by looking at chapter names and president's towns or clicking the Map of Florida Chapters. Some chapters are named for their area such a Citrus County Sams. Look at the president's towns and choose ones in your area. Remember most chapters have members from a large area and travel to lots of different campgrounds in the area. If you are still not sure of what chapters to contact feel free to call or email:

**Joe & Debbie Weston, State Directors at 407-417-7560 or [forestjr@bellsouth.net](mailto:forestjr@bellsouth.net)**

They will be happy to help you with locations. After you have been to visit and decide which chapter you want to join it is very easy. Just let them know you are interested, and most will have you fill out an application and they will take it from there.

## **WHAT IS A GOOD SAM CLUB SAMBOREE ALL ABOUT?**

A Samboree is a statewide campout open to all. Florida has two Samborees a year; Spring Samboree in April and Fall Samboree in November, a camping adventure on a grand scale – all done by State Staff and volunteers. A multiple day event with an emphasis on fun! Meeting new and old friends!

There are major events like Opening and Closing Ceremonies, Entertainment nights, Samgo (Bingo) nights and Sunday Worship. There are also all types of indoor/outdoor game competitions. There are vendors of special interest to RVers, seminars, special products for the ladies and crafts.

The Florida Samborees are unique from many other State Samborees. We have entertainment three nights of the Samboree and Samgo (Bingo) two nights. We are known for our Golden Wedding Ceremony, with vow renewals, where we celebrate the 50<sup>th</sup> anniversaries of couples that are attending the Samboree.

We pride ourselves on being a friendly, outgoing group and encourage new campers to attend. You need not be a Good Sam member to attend but we challenge you to leave without wanting to be a member!

The camping experience is one of a kind! And it is a safe and hospitable environment for the whole family!
