## Past State Directors

*“Good Sam Club was founded in 1966 and Good Sams of Florida, Inc. followed closely behind in 1969. Everglades Sams was the first Florida Good Sams chapter and the excerpt if from their history books. “Tom and Stella Scott and family of Fort Myers has been reading in “Trailer Life Magazine” about the advantage and fun of a Good Sam Club so they requested information. At the Same time, Frank and Lillian Freeland of Fort Myers, had the same idea and contacted the California based organization. He requested information as well was told to contact Tom and Stella Scott.. They organized the first campout on September 1969 and subsequently became “Everglades Sams #1”. Frank Freeland was named the first President of Everglades and later in 1970 was named the first Florida State Director.”*
