

# SOUTHEAST REGION CENTURY PATCH FORM

The Southeast Region Century Patch was designed to promote Rally/Samboree attendance within our Region. To be eligible for a Century Patch, you must attend 10 Rally/Samborees with at least 3 of the Samborees being in different Southeast Region States. Attendance to *The Rally* counts as a Samboree attended.

The Southeast Region States are:  
 Alabama - North Carolina – Georgia - Florida  
 Kentucky - South Carolina - Tennessee

When 10 Rally/Samborees have been recorded and verified (by obtaining the appropriate signatures below) you are entitled to purchase a Southeast Region Century Patch. You must present this completed and signed form to the State Store in order to purchase your patch. The State Director will then present you with your Century Patch.

Once the Southeast Region Century Patch has been earned, State Flower Patches can be earned. A State Flower Patch is earned for each additional ten Rally/Samborees attended (same rules as above). Many people arrange to have their Flower Patches earned in a specific State in order to collect them all.

Only one form per rig is required. Start attending Rally/Samborees and collecting signatures for your Century Patch, you can then wear it proudly on your vest or jacket. By earning your Century Patch and all 7 flowers, you become a member of a very elite group of Good Sam members.
