

GOOD SAM'S OF FLORIDA, INC.

Volume 34 — 2021

PAST STATE DIRECTORS

Good Sam Club was founded in 1966, and Good Sams of Florida, Inc. followed closely behind in 1969. Everglades Sams was the first Florida Good Sams chapter and this excerpt is from their history books. "Tom and Stella Scott and family of Fort Myers had been reading in "Trailer Life Magazine" about the advantage and fun of a Good Sam Club so they requested information. At the Same time, Frank and Lillian Freland of Fort Myers, had the same idea and contacted the California based organization. He requested information as well was told to contact Tom and Stella Scott.. They organized the first campout on September 1969 and subsequently became "Everglades Sams #1". Frank Freland was named the first President of Everglades and later in 1970 was named the first Florida State Director.
